## New Benefit for Chapter Members: Subscription to *Concrete Int'l*.

ACI Chapter Members will now receive a FREE digital subscription to *Concrete International Magazine*. *CI* is currently available for FREE exclusively to ACI Members. Chapter members who are not ACI members will now be able to access *CI Magazine* as a CHAPTER MEMBERSHIP BENEFIT.

A digital subscription to NON-ACI Members is \$166 per year for 12 editions.

A list of current Chapter Members will be supplied to ACI Headquarters so that they can access *CI Magazine* online every month.

*Concrete International* is the monthly magazine of the concrete community, published by ACI. *CI's* circulation is concentrated among the most important professionals in the concrete field -- the engineers, architects, contractors, manufacturers, researchers, and technicians largely responsible for the advancement of concrete technology and practice. These influential professionals collaborate in preparing ACI Codes, Standards, and Guides that define the essential requirements for all types of concrete structures.

## Introduced as President at April ACI Convention ACI President Michael Schneider Brings Contractor Perspective

Current ACI President Michael J. Schneider, FACI, is the Senior Vice President and Chief People Officer at Baker Concrete Construction, Inc. He has been with Baker Concrete in Monroe, OH, for over 38 years. He started at Baker as a Project Manager in 1978 and helped open Baker's Houston, TX, office in 1982. During his career, he has been involved in a multitude of projects ranging from high-rise offices to automotive plants to mainline concrete paving.

Schneider was named a Fellow of ACI in 2006. He previously served on the ACI Board of Direction and as Chair of the Strategic Development Council (SDC) and the ACI Foundation, of which he is currently a Trustee. He received the ACI Roger H. Corbetta Concrete Constructor Award in 2011. He is a member of the Concrete Research Council (CRC), and ACI Committees 117, Tolerances; 132, Responsibility in Concrete Construction; and S801, Student Activities.

Schneider is the current Chairman of the National Steering Committee for the Construction Industry Management Program (CIM). He has been active in the American Society of Concrete Contractors (ASCC) for the past 18 years and served as President during 2005 and 2006. During 2001 and 2002, he was a member of the Board of Directors for the National Center of Construction Education and Research (NCCER). Schneider has served as Co-Chair of the Contractor Task Group for the National Ready Mixed Concrete Association's P2P Task Force, and Board member and Past Chair for the Concrete Promotion Council of Southwest Ohio. In 2005, Concrete Construction magazine named him as one of the 10 most influential people in the concrete industry.

Schneider is committed to eliminating all worker injuries on the jobsite. He is a charter member of the Incident and Injury Free Executive Forum, which is dedicated to promoting worker safety in the construction industry. He was also the 2012 recipient of the Lifetime Achievement Award from the Spirit of Construction Foundation of Greater Cincinnati.

He received his BS in personnel management from Miami University, Oxford, OH, and his BS in construction management from the University of Cincinnati, Cincinnati, OH.

And **YES** – we plan to ask President Schneider to make room in his busy schedule for a visit to our Chapter!

## Event Shopper to Make Online Event Reservations Easier

The Chapter will implement a new and simpler method of making event reservations in the next few days.

Our "Event Shopper" is a custom shopping cart that simplifies the reservations process from a long form to a set of small screens. This shopping cart is different because we have multiple prices for the same event, including member, non-member, student, underwriting a student, and now have added prepaid raffle tickets to the reservations process.

You'll be able to see a detailed description of the event by clicking on a "Show Description" button.

Here's a screenshot from our Event Shopper:

Ticket Type		Ticket Sub-Total
ACI, Chapter, and SNCA Member - \$40.00:	0	\$0.00
Non-Member/Non-Student Guests - \$45.00:	0	\$0.00
Full Time Engineering and CIM Students - \$10.00:	0	\$0.00
Sponsored Student - \$15.00:	0	\$0.00
Raffle Ticket to Support Student Programs - \$1.00:	0	\$0.00
Event Ticket Total:		\$0.00

We'll also be adapting Event Shopper to our Membership dues payment process. For more information on the Event Shopper, contact Bob Lema at [info@aci-ncawnv.org](mailto:info@aci-ncawnv.org).
