We Sponsor Two Student ACI Chapters

We are the sponsoring Chapter for the San Jose State Student Chapter and the California State University at Chico Student Chapter, Concrete Industry Management (CIM) Program.

If a student group would like to have a presentation about forming a Student Chapter please contact us.

Find out more about San Jose State and Chico's Student Chapters and the events they are presenting. Both chapters can provide insights into forming and conducting ACI Student Chapters.

Locations – Chapter events are staged throughout our region of Northern California and Western Nevada so that a wider universe of people can attend. We look for venues that are cost-effective and easy to find.

Speakers – Suggested to us, and also we reach out to people and companies who have an innovative project or technique that will be of interest to our guests.

Frequency – We typically stage 10 events a year, and attire for most events is what you would wear to work. If you leave a jobsite after a long day to attend one of our events – we welcome you!

February 16 – Student Night in Chico. Booked at the Chico Masonic Family Center. The Student's Reception w/no host bar will begin at 5 pm. The rest of the event timing is as usual. We're confirming a speaker.

March 8 – Student Night at SJSU. We will know for sure at the end of January if ACI President Sharon Wood will be available to speak at this event. The last ACI President to speak at a Chapter event was Anne Ellis in 2014 in San Jose, and it was a great evening.

April 12 – Annual Joint Event with SEAOC. We work with their House Committee that selects the venue and this year SEAOC is also providing the speaker.

May 12 – 11th Golf Classic at Green Tree in Vacaville.

We have a signed contract for Thursday, May 12.

You'll learn all the details about golfing and sponsoring.

June 14 – Annual Meeting at LangeTwins Winery.

An enjoyable and unique Annual Meeting experience.
